DESIGNING | ADVERTISING | BRANDING

I **speak** in pictures. I **think** in design. So, it's only natural that I make **ads**, brochures, **posters**, **flyers** and **animations** talk. I breathe in color and walk in strokes. So, it only makes sense that I turn eyes into canvases for ideas. I polish every detail and touch every image. So, it is easy to guess that my visuals are aimed at your heart and mind.

My name is **FIROZ MUHAMMED** and I am a **CREATIVE DESIGNER** who has been living, breathing and speaking design for 20 more years.

Let's have a conversation.
